**River of Life Mission's** Big Change Chinatown neighbors always had a problem with the Mission's feeding program and with the hundreds of people it drew to the site. In response, River of Life is now moving to mobile feeding stations outside of Chinatown and improving its services to the needy. There is an article on the bulletin board outside the Fellowship Hall that describes their improvements. Pray for a smooth transition and for enough volunteers to serve the meals.

**PRAY FOR PERSECUTED CHURCH.**
