Free Speech or Forced Speech? Can a Christian be forced to support speech they disagree with? Two cases will be heard this fall in the U.S. Supreme Court and in the Ninth Circuit. Details are posted on the bulletin board by the Fellowship Hall. Pray for Lorie Smith and Brian Tingley and for the protection of free speech rather than forced speech approved by the government.

From Our Book Table What does it mean to "love God"? How can we show our love of God? Charles Colson, founder of Prison Fellowship, tells us what we need to know in his book, Loving God. In easy-to-read chapters, he challenges us to radically rethink our relationships with God and with other people, presenting real life stories of people who either answered "yes" to God or failed the test. The paperback is only a donation of \$2 or whatever you can give.
