Be a Digital Missionary

Our Facebook page can be an outreach tool, but we need your help...the more you “like” and “share” our posts the greater our outreach and impact can be! When you share posts with your friends, your

Facebook fiends see our church name, but they can also then like, share or comment on the image, giving our church the opportunity to reach those that are hurting, need encouragement or don’t know Jesus yet. As you share the post, please take a moment to pray for those who will see it. Pray that God will use these simple posts to draw others closer to him. This is a great way to be actively engaged in praying for our friends who may not be Christians.

WALK WITH JESUS IN A DEEPER WAY

A trip to the Holy Land is not as much about walking where Jesus walked as it is walking with Jesus in a deeper way. One of the many ways we get to know Jesus better is by getting to know the Bible and the land and culture in which Jesus lived and ministered. There’s something special about experiencing the Bible in the land of the Bible. So many people who make this journey experience a renewed love for Scripture and feel as if the Bible comes to life. The smell of spices in the outdoor market; the sound of sheep bleating, and shop keepers selling their wares, cause you to feel as if you have stepped into the very pages of Scripture. As you gaze upon the same landscape the disciples saw, pausing to worship in the places Jesus and His followers worshiped and prayed, listening for the echoes reverberating through 6,000 years of history, your love for scripture is deepened. These hills and valleys are not just where Jesus and His disciples walked, but where Abraham, Joshua, Elijah, Gideon, Solomon & David lived out their lives partnering with God to tell His story of redemption. Join Pastor Barry & Jody on this journey to the place where your faith began. Your love for God’s Word and God’s Son will never be the same.
