### Be a Digital Missionary

Our Facebook page can be an outreach tool, but we need your help...the more you “like” and “share” our posts the greater our outreach and impact can be! When you share posts with your friends, your

Facebook friends see our church name, but they can also then like, share or comment on the image, giving our church the opportunity to reach those that are hurting, need encouragement or don't know Jesus yet. As you share the post, please take a moment to pray for those who will see it. Pray that God will use these simple posts to draw others closer to him. This is a great way to be actively engaged in praying for our friends who may not be Christians.
