4. THINK ABOUT _____.

Your war with stress is won or lost _____.

“Fill your mind with those things that are true and good and right. Think about things that are pure and beautiful and respected. If anything is excellent, if anything is worthy of honor, think about those things.” Philippians 4:8 (NCV/NAS)

“Fools make fun of sin.” Proverbs 14:9

“You Lord will keep in perfect peace all who trust in you, whose thoughts are fixed on you.” Isaiah 26:3

“If you look at the world you’ll be distressed; if you look within you’ll be depressed. But if you look at Christ you’ll be at rest.” Corrie ten Boom, Author, The Hiding Place

5. BE _____ WITH ANYTHING.

Contentment is _____ what I have right now rather than _____ for something else in order for me to be happy.

“I’ve learned to be content whatever the circumstances. I know how to live on almost nothing. Or I know how to live with everything. I’ve learned the secret of contentment in every situation, whether I’m well-fed or hungry, or whether I have more than I need or I don’t have enough.” (11,12)

How to learn contentment: 1. Stop _____. 2. Stop thinking that having _____ is better.

“It’s better to only have a little with peace of mind, than to be busy all the time with both hands, trying to catch the wind.” Ecclesiastes 4:6 (TEV)

3. learn to _____ without having to _____.

You don’t have to _____ to enjoy it.

Where do we get the energy to do these things? *“I have the strength to face anything and everything by the power that Christ gives me. I can do all things through Christ who strengthens me.”* (13)

“Obey God and be at peace with Him; this is the way to happiness.” Job 22:21

When you make peace _____ God then you will have the peace _____ God.
