Prayer Requests

Submitted This Past Week

Pray that God will be with Michelle as she begins a new chapter in her life in Texas. Pray for Tony and his brother to go forward in harmony as a family, as his brother is coming to Hawaii this Tuesday as an executor of the estate of their late mother. Pray for Susan, Jamie's dear friend, who has cancer that has spread from the kidneys to both lungs, making surgery impossible. Pray for God's guidance through this crisis as her husband has to make a difficult decision of having chemotherapy or leaving it untreated. Pray for a friend of Melissa's, who needs her son to take responsibility for his own bills and his family, as she cannot continue to financially support him. Remember Ed's first stepmother, who was looking for work as a registered nurse, lost her past job due to health, and has kind of given up looking for a job. She and her disabled husband are now in debt and maxed out on their credit, and it's hard for them to make ends meet. Pray for Ed's neighbor friend, Roland, who has severe back pain and problems with his heart movement, possibly atrial fibrillation or an arrhythmia. Please pray for his condition to improve somehow. Pray for Crystal's neck pains to heal as she started working again. Pray for Carol W.'s surgery to be a complete success tomorrow and for her recovery time to be quick and easy. Please be in prayer for the procedure and also for Duane. Pray that Helen's left leg and ankle will be healed and that the pain diminishes. Pray for Warren to get a good night's sleep. Remember CJ family, friends, and a family member who has been diagnosed with lymphoma cancer. Pray for Jody's friend from the Community Bible Study in California, who is here visiting with her beautiful family. Pray for Amy's granddaughter, Ellie, and all of her family. Pray for Lee & Paula's cousin, Linda, in a rehabilitation care center in Torrance, CA. Pray that she knows Jesus in her heart.
