Prayer Requests

Submitted This Past Week

Pray for Sally A., whose husband passed away last night. Pray for Sally and the family's comfort. Remember Jennie M., who had a liver transplant last year, still struggles with health challenges. She is currently hospitalized with no energy and is discouraged and depressed. Pray for the restoration of her health. Pray for Ramona's granddaughter, Kathy, who has applied for a job she really wants. Pray for God's wisdom in her young life. Prayers for healing and encouragement for Scott, Sharon, and their family. Scott is undergoing treatment for his medical condition. Mahalo for today's hula and music. The ladies danced beautifully before God. Prayers to Gloria for strength and faith in God as she faces housing and financial challenges. After the most recent assassination attempt on the President, let's pray that the words "Nazi" and "Hitler" are banned from political discourse and media discussions. Ask God to remove the suffering of so many people and help them experience your true love.

The Story of Everything We've all heard the story. The universe came from nothing; life came from the chemical soup. Science has shown that belief in God is now obsolete. But what if there's another story? A more truthful story. One based on the evidence and recent scientific discoveries that reveal the intelligent design to life. We can discover a consistent signature woven into the fabric of existence. The film runs April 30-May 6- only at Dole Cannery theaters.
