Prayer Request As some of you know, no one has stepped forward to assume the position of Mission leader for our church this year. I feel an urgency to fill this position because a missions director will add vision, efficiency and awareness to our ministry. Not having a mission leader gives the false impression to some that we as a church do not care about mission. I am setting aside the day of September 29, a Tuesday, as a day of prayer and fasting. I am asking you to join me, not physically but in spirit. Please take time on Tuesday , the 29th to pray that God will touch the heart and mind of the person He wants for this position so that this person can be part of our ministry planning for next year, Thank you.
